

# Y LEADERS SUMMER BOOTCAMP

Join our FREE Y Leaders Bootcamp this summer and get equipped to be effective and empowered leaders.

Our summer 2024 program takes our participants through 5 days of interactive workshops that explore important leadership topics and teach how to develop strong communication skills, understand your values, beliefs, priorities and passions, build healthy relationships, and boldly navigate spaces with confidence and ease.

We also use creative, arts-based activities, storytelling, group conversation and positive affirmations for personal development and good emotional wellbeing.
